## WHAT IS THE ALLIED TRADES ASSISTANCE PROGRAM?

**The Allied Trades Assistance Program (ATAP)** is a confidential information and referral service which is designed to match individuals in need of assistance with the appropriate health care professionals for substance abuse and mental health issues.

**ATAP** has developed a network of quality conscious service providers offering the following specialized types of health care:

- Medical Detoxification
- Non-Medical Detoxification
- In Patient Psychiatric Rehabilitation
- Free Standing Rehabilitation
- Intensive Outpatient Rehabilitation
- Outpatient Counseling
- Aftercare Groups
- Work/Life Issues

**In effect,  
ATAP is a program of UNIONS,  
for UNIONS,  
and by UNIONS**

## ATAP STAFF

The staff at **ATAP** is directly responsible for the specific needs of union members, their dependents, and retirees. Providing them with personal, confidential, and appropriate referral and follow up services.

The staff consists of: Certified Employee Assistance Professionals, Certified Addictions Counselors, Certified Prevention Specialists, mental health professionals, and licensed social workers.

Supportive follow-up contacts are made both during and after an individual has entered a treatment program in order to supplement and monitor the care received. These contacts are conducted according to an individually established schedule depending upon the needs of the individual and continue for not less than six months after completion of treatment.
