

ILA-USMX JOINT SAFETY COMMITTEE

OSH Circular 2017-09 (06 September 2017)

Hurricane Season Begins!

The start of hurricane season prompts the ILA~USMX Joint Safety Committee to alert all waterfront management and labor interests to the importance of being aware and adhering to in-house and relevant regulatory agency preparedness policies.

As an aide, we attach a link (see below) to a webpage prepared by a friend and colleague who continuously updates accessibility to all mandatory U.S. Coast Guard “Hurricane and Heavy Weather Contingency Plans.”

Simply find your port sector, read the plan..... and follow it.
