

ILA-USMX JOINT SAFETY COMMITTEE

OSH Circular 2019-05 (15 May 2019)

At least once each year, the ILA~USMX Joint Safety Committee has a self-imposed obligation to provide a friendly but firm reminder that the use of personal electronic devices while operating any vehicular equipment is extremely dangerous... and very reasonably prohibited at all marine terminals!

We greatly value the lives and the well-being of every worker and manager that derives their collective living on the waterfront at our respective ports, and we urge you to do the same. **Respect you fellow workers; respect yourself:**

On the Job or On the Road, Don't Drive Distracted!
