Re: COVID-19 Travel Advisories

Due to surging coronavirus infection rates, there are now 35 states plus Washington D.C. and Puerto Rico that meet the criteria for quarantine. Currently, the states that meet the criteria for quarantine are listed below.

Starting today, if you travel or return from travel to any of these states, you will not be able to return to work until you have self-quarantined for 14 days. You are required to report to your employer and Local Union before you return to work after any travel to/from the above states. The employer and Local Union will work together to establish a system for monitoring the out-of-state travel of employees. Newly added states are in bold.

Alaska	Missouri
Alabama	Montana
Arkansas	Nebraska
Arizona	Nevada
California	New Mexico
Delaware	North Carolina
District of Columbia	North Dakota
Florida	Ohio
Georgia	Oklahoma
Idaho	Puerto Rico
Iowa	South Carolina
Illinois	Tennessee
Indiana	Texas
Kansas	Utah
Kentucky	Virginia
Louisiana	Washington
Maryland	Wisconsin
Minnesota	Wyoming
Mississippi	

The list of states for which self-quarantine is required is still subject to change and we will keep everyone apprised of any changes.

During the quarantine period, you may be eligible for unemployment insurance benefits, and you are encouraged to make application for those benefits. You may also be eligible for benefits from the USMX-ILA Coronavirus Pandemic Relief Fund. Please contact either the ILA Benefit Fund Office or your Local Union for help in applying for these benefits.
